The boundary map

The map shows the boundary chosen for the investment by the government, and the Crook North/Tow Law Board will have a chance to shape the boundary further if needed.

This area starts to the North of Tow Law following the A68 down. This prominent road runs through the centre of the boundary, taking in land to the east and west, encompassing Thornley, Fir Tree, Howden le Wear and Roddymoor. Crook includes major housing estates to the North West and South East of Crook Town Centre.

Do you have any comments about the boundary map?
